EDITOR'S LETTER

Well 2019's drawing to it inexorable close, and what a year of ups and downs it's been! Political shenanigans this year have been unlike anything I can remember since at least, oh, last year, while England (sorry, other home nations!) got close to winning not one but two World Cups, thanks to basically a tie in the cricket and a cracking run in the rucker. Here at *Mayfair*, meanwhile, we've, umm, featured loads of stunning girls getting their kits off! And we're doing it again this issue, with newbies like Elle Hunter joining firm faves Dani Maye and Natalia Forrest. More ups than downs there, I'd say!

PIPIN' PIPPA'S

Dear *Mayfair*,

As I work in sales and travel around the country a lot, I've found it difficult to hold down a long-term relationship, but this is more than compensated for by all the opportunities it affords for a bit of no-strings fun, with the hotel rooms I stay in providing the perfect venue for a bit of R&R once the working day is over.

Take the girl I pulled last weekend... Pippa. She was fit: long dark hair, nice tits and a terrific arse. She was working on the till at the café where I had lunch. I was feeling horny and while in the queue I was imagining giving one to a rather curvaceous redhead sitting in a booth with her spotty boyfriend. By the time I'd reached the till, my cock was tentpoling

MOIST PINKNESS...**

the front of my trousers and, as this Pippa girl was seated, she could hardly fail to notice.

She smiled as she gave me my change, before lowering her gaze back to my crotch.

"Happy to see me?" she teased, as my knob strained hard against the constricting fabric of my pants. Before I could think of a witty retort, she scribbled her mobile number on my receipt and told me she finished work at five. It's nice when they just fall into your lap like that!

This girl was game and we were barely in my hotel room when she began ripping my clothes off. I had to slow her down because I only had one other shirt with me and needed it next morning. Pippa's hand reached for my stiffening prick and she grasped the shaft, skillfully teasing the skin back and forth. She dropped to her knees with her lips open wide, and I watched her tongue dart out of her mouth as she leaned forward to take my cockhead into her mouth.

The suction of her lips over my sensitive glans was wicked, and her cheeks hollowed as she poked her wet tongue

hard against my cock-eye. I was having trouble standing as she pulled my prick harder and harder, her hand becoming a blur as she wanked me into her mouth.

I pulled her head back, my hands buried in her long dark hair, knowing that if she kept sucking me I would come and miss out on sampling her other assets. So, giving her a playful slap on her rump I told her to get on the bed and show me her cunt. Willingly, she hopped on top of the quilt and reached down to spread the front of her pussy open, showcasing the pink moistness between her inner lips. Her fingers forced her clit hood to retract and it poked out proudly like a miniature marble.

Rubbing her finger over it with circular motions, she began to contract her pussy; her breath came in loud gasps as she frigged herself easily to climax. Then, pulling me to her, she rubbed my knob-end against her clit, its hard bud making me feel even hornier. She was gagging for it, and when I teased her by pulling back a few inches she hissed, "Don't tease me - either shove that big cock all the way up me, or I'm off."

GO GO TOMMIE JO!

Dear *Mayfair*,

What a delight it was to see the return of Tommie Jo to your pages last issue (54.10)! I've been a massive fan of her and her stupendous boobs ever since she first made an appearance in *Mayfair* way back in Volume 45! Her girlish appeal has developed into a more womanly charm, and personally I think she looks all the better for it! It's lovely the way your models grow up along with your readership (although I have to admit I've got a good few years on TJ!). I can't believe it's been nigh on a decade since I first got to feast my eyes on the charms of this stunning lady, but please let her know from this happy reader that she's certainly helped to brighten up those years!

Mark, Littlehampton.

Hearing her talk like that turned me on so much, she was in for a right seeing to now! And she was ready, too. Her pussy was gleaming with juices and I wanted to stab my todger into her box on the spot. However, from the way she was behaving

A LAUREN TO HERSELF!

Dear *Mayfair*,

I had to drop you an email your magazine is the best there is, and your models are gorgeous, with the likes of newcomer Imogen, Felicity Hill and Lauren Louise keeping me coming back issue after issue. I have to say, Lauren is probably my favourite girl in your stable these days – everything about her is perfect! I love her boobs, her bum, the way she arches her back – she really knows how to make love to the camera in a way that gets your readers (well, me, in any case!) up to a fever pitch of excitement! So thank you to Lauren – and your photographers. Ahem, any chance we can actually see her in the magazine again soon?

John, Hull.

Ah yes John, it's been a while since we hooked up with Lauren. We'll make sure we don't leave it too long in 2020, especially for you! - The Ed.

I knew she'd been round the block a few times, so I pulled away briefly, and rummaging through my pockets, found a johnny and rolled it on over my tool.

She urged me to hurry up, to bury my knob in her right up to my bollocks. I moved back into position, yanked her legs wider apart, and stuffed the head of my dick against the warm wetness between her meat flaps. Holding her down, I flung my hips back and shunted the entire length of my cock into the demanding little tart's soaking snatch.

I made every effort to give her just what she asked for, ramming her hard and fast, repeatedly slamming into her greedy hole with as much force as my member could take. Without doubt, this Pippa bit was the horniest ride I have had in a long time.

She fucked like a feral cat, clawing and scraping my back with her nails as her hips arched up to meet my pumping rod. We couldn't get enough of one another as we strained and ground into and against each other's genitalia. Then her cunt started to

contract around my shaft, her pussy muscles constricting like a tightened elastic band as she attempted to milk my balls.

Fortunately, I managed to control the ball-breaking orgasm that threatened to erupt at any moment.

Looking back over her shoulder at me, the saucy tart stuck her tongue out, wiggling it salaciously, before asking me if I wanted to empty my balls inside her mouth. It sounded like a good idea. I jerked my cock free, and she spun around and began sucking the end of my knob through the condom.

I was more than ready to come but I did not want to waste my mess by blowing my load inside the rubber. Rolling the used condom gently off my inflamed penis, I began stroking while she encouraged me vocally to blast the lot over her upturned face.

Rubbing as fast as I could, I felt the sperm start to jet up my prick and I aimed it right at her mouth – the force of the first shot causing it to overshoot and land on her cheek and in her hair. But the second and third wads erupted with less force, dripping onto her full, moist lips. Her tongue flicked out to capture the salty white mess and I poked my cockhead into her mouth, hollowing her cheeks as she sucked the last drops from my utterly drained knackers.

Her face was an absolute picture dripping with my come, some of which had stuck to her hair, but once I'd got my breath back I told her that was her lot.

She got cleaned up, dressed and left. My kind of woman!

I guess I'll be wanting a long-term relationship at some stage, but with girls like Pippa out there (and, I've found plenty), I don't imagine it'll be any time soon!

Martin, Leicester.

ÜBER BALL!

Dear *Mayfair*,

A few weeks ago I had one of the sexiest experiences of my life and, as a married man I haven't been able to tell anyone about it, so I thought I'd write to *Mayfair* and get it out of my system that way. Needless to say, all names and places have been changed to protect the not-so-innocent...

Having been married for 14 years, the opportunities for a night out on the town with the lads aren't what they once were, but every now and again we manage to get a pass and meet up for a few jars in the town centre. And that's what we were doing this particular Saturday evening – nothing too outrageous, just a few pints and a chance to chew the fat away from our other halves. Things usually draw to a close about one in the morning and we all head home, but on this occasion my mate Steve insisted he was going to have to push off early. He wouldn't say why, but the rest of us sort of guessed that he might have a bit of action lined up and wanted to use our night out as cover, and we weren't going to rat him out. Once Steve had left at about 8.30 the rest of us carried on until Joe got a call from his missus that instantly summoned him home – something to do with his mother-in-law having been taken ill. That only left me and Terry, and after another couple of pints we decided to give the whole thing up as a bad job and head home. As he lived within walking distance he set off, while I ordered an Über to take me the 4 or so miles home.

As I waited on the street corner for it to arrive, I couldn't help noticing a stunning girl of about 24 standing just a few yards away. She was wearing an outrageously short miniskirt and a skimpy top and was alternately jabbing at her phone and cursing under her breath.

"Everything alright?" I asked, and she looked up.

"I was going to order an Über, but my bloody phone's gone flat!" she said.

I asked her where she was heading and it turned out she was only going to the village before me, so in a moment of boozy gallantry I said she was more than welcome to share mine. She beamed and agreed without a second's hesitation.

"Well, at least this crappy evening isn't going to end as badly as it started," she said, and I asked what had happened to make the evening so crappy so far.

"Oh, nothing much – I've just been dumped by my bloody boyfriend!" she laughed. "He was a useless tosser anyway, so I'm best off out of it, but it's still a bit of a blow to the ego, you

Scrummy Scottish splosher Sophia's always been a bit of an occasional feature in *Mayfair*, but surely that makes her appearances all the more welcome when they come and, as you can see from these piccies, they're always worth the wait! And she's really pushed the boat out for us this time, too, with that stunningly feminine lingerie set...

"Well, I was going to dig out one of my more masculine lingerie sets, but then I decided against it!" she chides, and that's us told! Mind you, you can't really blame us for saying something a bit daft when faced with this beauty sprawling around in such an alluring get-up, can you? It's a wonder we can string two words together at all!

M

know?"

I nodded sympathetically. "I'm sure it won't be long before you find someone better," I said, and she smiled.

Just then the car turned up, and we piled into the back. As we set off she said, "I don't know if I'm after another relationship just at the moment. I think I'd rather just have some fun for a bit first."

At that point I felt my cock give an involuntary twitch. Here I was, in the back of a cab, with this gorgeous creature, who was telling me she was after a bit of fun. Surely she couldn't be interested in a boring 43-year-old like me...?

We introduced ourselves properly and chatted a bit more as we were driven homeward. She was called Hannah and had been going out with Pete (or 'That tosser!' as she called him) for nearly a year. I didn't mention my marriage, naturally,

CLAMPING HER THIGHS EITHER SIDE OF MY HEAD, SHE SHUDDERED THROUGH A POWERFUL CLIMAX.

although the ring on my finger must have been a bit of a giveaway!

To cut a long story short, things went better than I could possibly have imagined, and just as we were turning the corner into her street she put a hand on my thigh and, looking me direct in the eye, asked if maybe I'd like to help her celebrate the start of her new 'post-tosser' life?

Knowing that the missus wouldn't be expecting me home for at least another couple of hours (and would be fast asleep when I did get back anyway), the opportunity was simply too good to pass up, and by way of an answer I leant forward and kissed her square on the lips. She gave my thigh a squeeze as she snaked her tongue into my mouth, and my already stiff prick swelled further in my straining boxers.

We bade farewell to the driver and hurried up to her flat, where we wasted little time in getting down to business. After a quick snog in the hallway she pulled away. "God, I'm desperate for a fuck!" she said, and although I was a little taken aback by her bluntness, I couldn't argue with her! Taking hold of the sides of her top, I lifted it up and over her head to reveal a lovely pert pair of boobs nestling in a skimpy bra, which was soon unclasped. Her stiff nipples stood proud and I couldn't help just admiring them for a few moments before taking them between my fingers and thumbs and giving them a gentle pinch. Hannah groaned and reached down for my cock, unzipping my fly and deftly fishing it out. Taking hold of my swollen length, she grinned and literally pulled me over to her bedroom by it!

Once we were there she scrambled out

of the rest of her clothes while I did the same, marvelling at the sight of her taut body and completely shaven pussy, which I couldn't wait to taste. As she lay on the bed I started on her nipples again, this time licking and nibbling them before working my way down between her spread thighs and, after flicking and teasing her prominent clit for a minute or two, buried my tongue deep inside her glistening snatch.

"Oh my ex never really liked doing this!" Hannah gasped as I lapped away between her silky folds, and I found myself thinking that he wasn't just a tosser, but an idiot as well.

It wasn't long before my tonguework did the trick as she gasped and, clamping her thighs either side of my head, shuddered through a powerful climax. I lapped away at the sweet juices that flowed from her dripping pussy until she'd regained her composure a bit and begged me to fuck her hard.

Moving up her body I grabbed my aching prick and guided it easily into her tight but wonderfully lubricated slot, sliding it all the way home until I was completely inside her. I had to pause for a bit then, because just the silky sensation of her pussy walls clamped round my prick was nearly enough to bring me off, but using all my strength of will I managed to hold off coming as I began to fuck her properly.

"Oh yeah, that's right, you fuck me good and hard," she urged, liked I needed telling, and she writhed away underneath me as I slammed into her for all I was worth. For all my good intentions, there was no way I was going to be able to keep this up for long, and I warned her that I was on the verge of coming.

"Where do you want it?" I asked, and she gave me a mischievous grin.

"Where do you want to spunk?" she asked back. "You choose!"

I didn't have to think long (or long to think!), and, pulling my prick from her pussy, I moved round and fed it into her welcoming mouth.

"Mmm," she moaned as her warm lips embraced my slippery manhood and, within another couple of seconds, as she cupped my contracted balls, I fired wad after wad of hot come deep into her throat. My cock pulsed and pulsed until I thought she'd have to come up for air, but she was

"I KNOW you've been a very naughty girl, why do you think I'm here?!"

clearly up to the task, gulping and milking my balls of their very last drop before finally I withdrew, watching as a stream of sperm dribbled from the side of her mouth before, with a cheeky grin, she grabbed the end of my prick and used it to scoop up the errant jizz and feed it back into her mouth.

I was completely spent, and lay down for a breather while Hannah ran her hands over my chest and thanked me for the best fuck she'd had in ages. Well, I thanked her back – it was definitely the best one I'd had in ages as well!

Glancing at the clock, I saw that only about half an hour had passed since we'd got there, so, feeling I might as well make the most of things while I had the chance, I suggested a drink and a repeat – both of which she agreed to readily!

One vodka and tonic later we were back at it, Hannah sucking me to hardness before riding me and then me slamming into her doggy style. The sight of her gorgeous arse bouncing away as I slammed into her is one I won't forget in a while, or the arc of jizz I summoned up as I cam all over her peachy rear.

With that I thought I'd better head home. I toyed with the idea of asking Hannah for her number, but figured it might be better if we left it as a single of night of passion – and besides, she wasn't looking for a relationship (and I was married!). The walk home took about an hour or so, but it flew by on what seemed like moments as I relived the fresh memories – which I've now shared with you.

A woman with long, dark, wavy hair is sitting on a rug in front of a fireplace. She is wearing a light-colored, lace-trimmed corset and matching high-heeled shoes. She is looking back over her shoulder at the camera. The fireplace has a dark metal grate and a fire is burning inside. The background is a stone wall.

Curling up in front of an open fire is one of the highlights of this time of year, but if you were daft enough to invite *Mayfair* newbie Emily here along you probably wouldn't get to do much curling up – because you'd be too busy unfurling until you were at full length!

"Ha – maybe you would!" she laughs. "It's certainly me feel super horny. Who doesn't fantasize about getting all amorous on the rug in front of the fire! If only I had some hunky guy here..."

Hmm, yeah, quite. Still, at least we got to see her peel off... and now so do you!

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiny new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

SOMNOX SLEEP ROBOT

So is the prospect of another Christmas spent in the loving bosom of your family starting to cause you sleepless nights yet? Well if so, join the club! Once upon a time there were only analogue ways of trying to cope with the horror of sleeplessness – for the more bucolic-minded you just lay there counting sheep until boredom got the better of you, or for the more no-nonsense insomniacs there was always the option of booze and pills. Self-medication's rather fallen out of fashion these days, though, so what a timely moment for the tech world to intervene... with what's being proudly proclaimed as the world's first ever sleep robot! Mind you, given that there have been various brands of sex robot knocking about for years, you can't help thinking that this little buddy's long overdue. In essence, it looks like the love-child of a rugby ball and a giant albino kidney bean, and as it doesn't really have anything in the way of limbs it's not going to be the sort of robot that helps you get a bit of shut-eye by chipping in with the household chores. No, rather it's more like a digital teddy bear for grown-ups that you snuggle up with when you're ready for the some zeds. It's nicely quilted and padded, making it not unpleasant to cuddle, and it comes with a removable, washable sleeve to make it look like a glorified travel pillow. Once you're cuddling it, though, the clever technology kicks in and the giant bean thing starts to 'breathe' in sync with you, easing your passage into the land of nod. It will also play soothing sounds to you as well, meaning you really will have no excuse whatsoever for not being away with the fairies in double quick time. For people who long for the now extinct sensation of nodding off in front of the telly once the programmes have finished, it even includes white noise as one of the soothing sounds, along with more traditional ambient noises like 'Forest walk' and, umm, 'cosmic moon.' You can personalise it thanks to the app, and create your own breathing exercises, although just a look at the price tag was enough to get me taking a few deep breaths. I guess you've got to take your hat off to the firms who produce this sort of thing, though, if only for their optimism.

TILE STYLE PRO

Rumour has it that when you get to a certain age you start to forget things now and again. I wouldn't know myself, being such a spry young buck, but, umm... what was I saying again? Oh yes, people forget stuff, which means that (and scientists have demonstrated this) your typical human spends an average of 35 years of their life looking for things. Or was it three weeks? Either way, that's a hell of a chunk of your limited time on this Earth, spent swearing and becoming increasingly irate as you try to remember what the bejesus you did with your keys, or the TV remote. So are we to just accept our fate and factor in those 35

years/three weeks into our schedule, or is there some nifty, techy way of getting round all that losing stuff aggravation? Of course there is – otherwise we wouldn't be here, would we? The Tile Style Pro series is a selection of little square tiles that you attach to the things you reckon you're likely to misplace as you get older – keys, specs case, sense of independence etc, and then, when it turns out you can't find them, the crafty app on your phone will give you a bleepy signal to let you know whether you're getting nearer or further away. It's a bit like one of those trackers James Bond likes to slip inside his enemy's undies, but only as long as the range between you and your lost object doesn't exceed 200 feet. Plus it also works in reverse, helping you find your phone using one of the tiles. They're water resistant, which is handy if the lost item happens to be outdoors on a typical summer's day, and for further afield lost stuff other Tile users in the vicinity/whole wide world can help you out!

After a complete examination the doctor tells him, "Well the problem with you is that the muscles around the base of your penis are damaged. What we would do is take the muscles from the trunk of a baby elephant and implant them in your penis."

The man thinks about it silently then says, "Well, the thought of going through life without ever having sex again is too much, let's go for it."

A few weeks after the operation the man was given the green light to use his improved equipment. He planned a romantic evening for his girlfriend and took her to a nice restaurant. In the middle of dinner he felt a stirring between his legs that continued to the point of being painful. To release the pressure he unzipped his fly. His penis immediately sprung from his trousers, went to the top of the table, grabbed a roll and then returned to his trousers.

His girlfriend was stunned at first but

Scholars among you won't need telling that 'Natalia' is medieval Latin for Christmas, so we thought that was the perfect excuse for one final squiz at the South Coast-based lovely before 2019's done and dusted! Not that we expect her to go off the boil next year or anything – she's one of those models that, just like the Arctic, gets hotter with each passing year! OK, so we've left it to the final issue of the year, but we thought we'd lay one more 2019 debutante on you before, well, it's time to start laying 2020 debutantes on you instead! Tabloid readers will doubtless recognise Elle from her appearances in a certain redtop, but what with this being a) *Mayfair* and b) that time of the year, we figured we really ought to present the Brummie beauty in an altogether more unwrapped state! Whatever else next year might hold in store, we hope it'll contain more chances to feast our eyes on Elle!

CHRISTMAS AT THE SHOPPING MALL...

ESCALATOR

HEAVENS! AUNT FANNY'S JUST WALKED IN AND HERE I AM WITH HER PRESENTS IN HAND!

Script: John A. Short
Art: Gabrielle Noble

Leg or breast? It's a bog standard gag at the Christmas dinner table, but Dani here's hot things more than covered whichever way you choose to go! At 5'10" she's as statuesque as they come, and with plenty of boobage to go round there's more than enough to make sure everyone can have second helpings!

"Hey! You make it sound like you're going to serve me up like a bloody turkey on the big day! I'd rather you didn't, if you don't mind!" chimes the girl herself.

Fair enough, perhaps we were overdoing the whole analogy there. Anyway, ahem, any chance of a quick gobble?

"Oi! Enough of that now!"

SCENE from MAYFAIR

Sweary cowboys, a deranged cyborg and a man-made monster capering around medieval Prague... yep, it's just another normal instalment of Scene!

DEADWOOD: THE MOVIE

Back in its early years of glory, HBO set about producing *Deadwood*, a TV series set in the now legendary South Dakota town of that name in the 1870s, and what a triumph it turned out to be, with a cast led by Timothy Olyphant as the straight-laced sheriff Seth Bullock locking horns with Ian McShane's magnificently potty-mouthed brothel-keeper Al Swearengen. The set, casting and – above all – script put the show well ahead of most of the competition but the ratings were disappointing and, with the costs running at \$1m per episode, in 2006 HBO pulled the plug before the second season had ended, leaving fans bereft. Well now some kind of reparation has been made for that abrupt termination with this 2 hour movie that sets out to tie up all of the loose ends the untimely cancellation left blowing in the wind. Set, appropriately enough, 10 years after we left the action, it's a long overdue and therefore all the more welcome chance to bid farewell to one of this century's finest TV programmes to date.

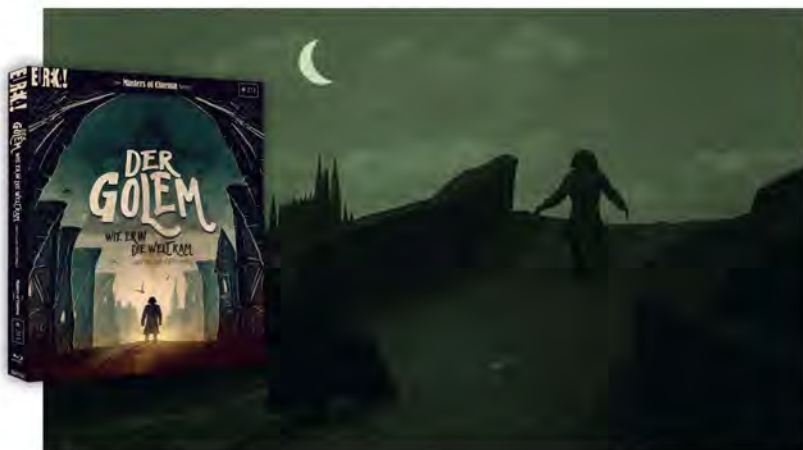

UPGRADE

Those of us of a certain vintage will have fond memories of *The Six Million Dollar Man*, which saw Lee Majors transformed into a superman with the help of the sort of technology which wasn't really around back in the 70s (when our idea of a high tech game was 'Simon'). Anyway, now we're here in the shiny new 21st Century and technology's come on in leaps and bounds, so the story really is due some sort of an upgrade, and that's pretty well what we've got here. Logan Marshall-Grey plays a bit of a luddite who, having been paralysed by a brutal mugging, is given the chance to be rebuilt (much) better and stronger than before. So does he take that option and become a violent avenging angel, seeking to track down criminals and liquidate them with extreme prejudice? Go on, have a guess. Stylish and well-made sci-fi fun from the team behind *Get Out*.

DER GOLEM

In case you hadn't noticed, we've got a bit of a soft spot for the early years of cinema here at *Mayfair*, and this month sees the release of an absolute corker that falls squarely into any cinephile's 'must see' list. Co-directed by Carl Boese and Paul Wegener, it dates to 1920, a time from when films now look so ancient it's almost like they were made as long ago as they were set... in this case the 16th Century. Fearing the despotic rule of the Bohemian Emperor, a Prague Rabbi makes a man from clay and brings him to life to serve and protect the city's Jewish population. Played by Wegener himself, the golem starts off benevolent enough, but things soon get out of hand in a way that is very clearly influenced by the Frankenstein story – and indeed the film was to be a huge influence in turn on Hollywood's own *Frankenstein* 11 years later. An expressionistic masterpiece.

STACY

■■■■■■■■

This set of *Mayfair* debutante Stacy here's got something a bit vintage about her, don't you think? It's a combination of the permy hair, the rather aloof expression and the moody lighting, but also, of course, the old school topiary she's got going on downstairs! For a brand new model, it doesn't half look like she's stepped straight out of the classic section and into the rest of the mag!

"Ha, I guess I do!" she admits. "But then I've always had a soft spot for that 80s and 90s look, so it's no real surprise. After all, just having a few pubes these days is a bit of a statement, don't you think?"

We guess it is, although we're not sure what of...

MAYFAIR MOVIES

Ever wondered if tits were a good way of demonstrating the existence or otherwise of gravity? Well it turns out they are!

WICKED PICTURES PRESENTS ●●●●●

NYLON 3

Artificial fibres are going out of fashion a bit these days, but surely nobody's going to turn against nylon, are they? Especially nylon encasing the legs of a selection of the tastiest flampers in the industry! Lacy Lennon was a new one to me, but the pale-skinned redhead certainly makes an impression as she allows Ramon to tie a lacy blindfold round her and encase her shapely legs in a pair of black stockings. With the blindfold still in place he sets about feasting on her almost hairless snatch before she rides him every which way. In an interesting twist, he ties a stocking round her mouth before coming over it and then popping the drenched item into her gob! Svelte Emma's playing the piano in as very fetching outfit until Ryan rocks up and, following a spot of leg and foot worship, they get down to the nitty gritty. It's a classy pairing, which rounds off with a puff over her nylon-clad toes. Curvy Romi provides a nice contrast, for those who prefer a more womanly figure, while Lena and Ana keep the standard sky-high to the end.

PRIVATE PRESENTS ●●●●○

NEWTON GENIUS AND STUD

Pornhounds with a historical leaning won't need telling that there have been precious few scruff flicks set in Restoration times, which I think is a crying shame. Keen to right this long-standing wrong, Private have decided to make a bongo flick dedicated to the (entirely fictitious) sexual prowess of that famously asexual hero of the Enlightenment, Isaac Newton! Clark Kent plays a descendant of Newton who finds himself transported back to 17th Cambridge where, complete with wig, he and his pals set about teaming up with some very comely sploshers for some cracking period costume porkings! First off he gets to put his theory of gravity through its paces with the help of Alice and her cracking funbags, then a local bumpkin gets roped in to reinforce the point courtesy of Alice. It's all good fun, with George Uhl's threesome with Cherry and Alecia the highlight.

Amply-boobed Aussie strumpet extraordinaire Angela White plays a photographer here, and she's trying to land a big contract. Will she succeed?

Well, I for one couldn't give a toss, but the film's worth a squiz anyway, thanks to the saucy cast. For no apparent reason (other than this being a porno flick), rival snapper Mick Blue hooks up with model Alina in a corridor, and the pair get on famously, with the Latina tartlet keeping Mick happily occupied until she takes a load to the mush. Clearly not satisfied and craving more action, Alina then rocks up for her shoot and immediately sets about lezzing Demi, while Angela snaps away merrily. Angela finally gets to let her hair – and knickers – down in the last two scenes, a couple of cracking threesomes culminating in the sort of trademark DP she's become famed for. All in all, a top notch effort from the antipodean splasher and her pals.

Eton's churned out plenty of public figures over the years, but not many of them have looked anything like Talia James here!

"Well, it is a boys' school, so I guess not!" she laughs. The town – as opposed to the school – has got plenty of nice looking girls, though!"

Fair enough – and do those nice looking girls of Eton have much to do with the wing-collared schoolboys? Do you have any tales to tell about any young toffs you might have had dealings with?

"Not really – we tend to stay away from them, to be honest! When me and my mates were kids we liked to take the piss out of them a bit when we saw them in town, though!"

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Even though I'd experimented with friends a bit when I was younger, I'd always thought of myself as 100% straight, having never looked at another woman in an erotic way, but when Leah started at our office I began to find myself, much to my surprise, fancying another woman.

Leah is in her early 20s, has long blonde hair and a cracking figure. She's very confident in all that she does and I think

that's what attracted me to her.

I'd had steady boyfriends in the past but I was single for the moment, and it appeared Leah was too. So not only did we work together, we started to play together. By playing I mean going shopping or to a bar after work, merely as friends. And one night after this playing I ended up back at her place.

Her flat isn't that big, but well decorated and extremely clean. We settled on the

sofa in her lounge

with a bottle of wine and as I scanned the photos scattered around the room I realised there were none with any bitches in. In the times I had gone out with Leah I hadn't once asked her if there was, or had been a boyfriend.

"You are having a laugh aren't you?" Leah giggled when I pried into her relationship status

"What do you mean?" I replied, unsure of her laughter laden response.

"Oh come on, you must have realised by now I'm a lesbian!"

"You're joking?" I said, although I didn't really know what

to say at this stark revelation.

"Not at all," Leah whispered, edging closer to me.

Up until that moment I didn't have a clue she was a lesbian but I was sure about one thing - I'd been having those special feelings for her. In a shocked daze I leaned forward, she did the same and our lips met. That was it, I was kissing another woman.

Leah's tongue felt fantastic as it swirled around my mouth. She began to run her fingers through my hair before stroking my neck. I did the same, slowly edging my hands towards her firm breasts. I began to undo her blouse and as each button popped open my grasping movements got more frenzied.

Leah started to pull off my clothes and when we were both topless she leaned down and took my breasts in her mouth. I held her head in my arms, stroking her hair as her tongue circled my nipples. Every so often she would grip my nipples between her teeth and give them a little tug.

When I felt her hand slide between the waistband of my jeans and my tummy I shivered. I'd never thought it would get this far. Her fingers crept lower, over my shaven patch and then I felt a lone digit slip into my slit. I braced myself as I felt it travel deeper and deeper until it brushed over my clit. Leah started to rub my bud gently and all I could do was enjoy the experience.

After working me into a frenzy with her hand, Leah unbuttoned my jeans and pulled them down with my knickers. As my clothes dropped so did Leah's head. Once she had got my jeans and knickers past my ankles I opened my legs as wide as I could. Leah took this as an invitation and calmly buried her face in my waiting snatch.

**I PUSHED MY TONGUE
OVER HER FLESHY
OPENING AND
SAVOURED THE TASTE
OF HER MOISTNESS.**

Her tongue felt like an electric charge as it swept around my tender pussy lips and over my clit. I groaned with extreme pleasure as Leah treated me to the most satisfying cunnilingus I had ever had. She didn't rush it and it just felt so natural for another woman to be doing it to me.

As you can imagine, Leah made me come so many times I covered her face with my juices, although she didn't seem to mind. Eventually I knew it was my turn to please her.

Having never gone down on a woman

come several times. Her body would buck violently and she would scream out my name each time I brought her to an orgasm. It felt great to know I was satisfying her.

When we had both climaxed beyond exhaustion we cuddled together and I admitted to Leah that was the first time I had done anything like that with another girl.

"You're kidding," she asked with a shocked look on her face. "From the day I met you I thought you were a lesbian too, that's why I got so friendly with you."

Well, if I wasn't a lesbian before, I knew I was definitely one now, and me and Leah have seeing plenty of each other ever since!

"HER TONGUE FELT LIKE AN ELECTRIC CHARGE AS IT SWEEPED ROUND MY TENDER PUSSY LIPS..."

Last year, after a rather messy divorce, I bought a house and, to help cover the mortgage rented out the two spare rooms to a couple of lads in their early 20s called Max and Stuart.

They were both really sporty so they had great bodies and thought nothing of walking around the house in just their boxer shorts. Given that I'd seen precious little action for a good few years, I was hardly going to complain, was I? While we were soon flirting with each other I had always insisted that while we were living together there would be no bed-hopping, it would just make things too complicated if I started sleeping with one of them. Besides, I couldn't decide which one I fancied the most. But one night, when my defences were down, I ended up going against my own rules...

I'd been studying hard for some upcoming accountancy exams and while Max and Stuart were continuing to go out every night, I was stuck with my head in the books. Of course, having the house to myself I'd taken welcome breaks from studying to pleasure myself and on one particular night I decided to

before I was quite nervous but I could only do my best. Once I had removed her undies and spread her legs I was faced with a completely shaven mound. Leah looked down on me with eagerness in her eyes. I leaned forward and prepared myself to taste the magic.

And that's exactly what it was – magic. I pushed my tongue over her fleshy opening and savoured the scent and taste of her moistness. Leah responded by placing her hands on my shoulders and rubbing them while slightly pulling me closer to her. I took this as a sign that I was doing it right.

I don't know how long I spent feasting on her pussy but I'm pleased to say I made Leah

relax with a nice warm bath.

Every time I have a bath I can't help but play with myself. A warm bath gets my fanny nice and relaxed and it's really easy

the bathroom door open so I immediately jumped out the bath and closed it.

I was contemplating returning to the bath and finishing myself off but it didn't feel

"I LAY DOWN AND PULLED MY DRESSING GOWN OPEN. MAX PARTED MY THIGHS AND STROKED MY THIGHS, SLOWLY MOVING TOWARDS MY PUSSY."

to slip a few fingers up there, so I did just that. I was pleasuring myself for about five minutes and almost about to come when I heard the front door slam. I'd left

right with someone else in the house so I put my dressing gown around me and headed to my bedroom.

As I walked across the landing Max came

up the stairs.

"Hi, Max," I said, "You're home early."

"Yeah," he replied, "Town was a bit empty tonight. I didn't see anything that took my fancy. Which is a shame because I've really got the horn!"

With that, Max gave me a wink and made his way to his bedroom. I went to mine, closed the door and began to dry myself off. If Max thought he was gagging for it, I was even worse. I hadn't had any action for aeons and then I'd just had a bit of self-pleasure curtailed.

I gave it a bit more thought, then succumbed to my desires. I took a deep breath and then made my way to Max's bedroom. I knocked on the door and when Max opened it I came straight out with it.

"Look," I began, "I know I made certain rules but, well, I don't want you to think that this is the start of anything but I'm really stressed out with all my studying and could do with a bit of male attention."

"I knew you couldn't resist me," Max grinned. "It was only a matter of time!"

With that he pulled me into his room, closed the door and untied my dressing gown. He cockily remarked on how good my body looked for an older woman and then led me to his bed.

I lay down and pulled my dressing gown open. Max parted my legs with his hands and stroked my inner thighs, slowly moving

towards my pussy. I was still slightly wet following my bath and so Max was

struck by my glistening pussy.

He started to gently prod at my lips and was surprised to find how easy his finger slid in. I had just juiced it up after all!

Max continued to rub on my pussy, working me up to a greater state of excitement with each stroke but then he pulled away to get undressed. When he came back close to me I tugged on his cock to get it hard.

After priming each other up for a few

HE GENTLY PULLED MY BUM CHEEKS APART BEFORE NESTLING THE HEAD OF HIS COCK AGAINST MY WET FLAPS.

more minutes, he climbed over me and guided his stiff prick inside me. I gasped as each inch sank in, and when he was as deep as he could go I wrapped my legs around him tightly. Every thrust had me panting and as they got quicker I got louder. He responded to my whimpering by pumping harder then he pulled his rigid dick out of me and told me to turn over.

I twisted my body as instructed and

I was going to offer my brown hole to Max but it seemed he was a few steps ahead of me as I felt his finger nudge at my delicate ring.

"Oh, yes, do me in the bum," I said, exhausted but eager for some anal action.

Max continued to prise another finger into my back hole, loosening it up with a mixture of saliva and my own pussy juices. When he could easily slip three of his fingers into my rear I knew I would be able to accommodate his cock. And that's exactly what I did.

"That's it, push it all the way in," I pleaded as Max began to feed my arse his swollen length. He clasped my waist and slowly began to build up a rhythm of fucking my arse, occasionally reaching round to strum on my clit, which was already very sensitive.

Every so often Max would withdraw from my arse completely but before my ring eased back to its normal size he

would breach it again. I jerked every time his prick was driven back into my rear. It was such a thrill.

After what seemed like an eternity of anal pleasure, the arse pounding had the best of Max and he warned me he was about to come. His final strokes inside me were followed by him pushing me flat against the bed before the sperm shot from his cock, flooding my anal passage as he withdrew.

Reaching my hand back I tugged on Max's spent prick and managed to tease a few more strands of his hot white spunk,

**HE CLASPED MY WAIST
AND SLOWLY BEGAN
TO BUILD UP A STEADY
RHYTHM OF FUCKING
MY ARSE...**

which I then spread generously around my ring to soothe it. Max lay down beside me and stroked my arse cheeks before we both drifted off to sleep.

When I awoke the next morning Max was still there by my side and I felt a bit annoyed with myself for sleeping with one of my lodgers because I knew it would be a regular thing from then on, and it has been! Oh well, you only live once, and neither I nor Max have got anything to complain about.

perched myself on my hands and knees, sticking my arse in the air to allow Max easy access. He grabbed hold of my bum cheeks and gently pulled them apart before nestling the head of his cock against my wet flaps. Then with one hard thrust he was back inside me. This time doing me harder and faster than before.

Before I knew it, Max had brought me to orgasm. He was still pounding away at me doggy style as my body jerked with every fantastic thrust. I was panting loudly, and although sated I wanted more.

CLARE

"I'd like to be big in TV," says scrummy Southampton cutey Clare whose 36-inch whammers add some weight to her ambition. "I could be like that Anneka Rice," adds our knockout 19-year-old, wiggling her peachy cheeks convincingly. "Viewers could challenge me to do outrageous things... like sky diving with no knickers on, or cycling the Tour de France topless. I could even swim the English Channel stark naked! I reckon I'd have a go at absolutely anything really as long as it involved what I like doing best — taking my clothes off!"

Challenging stuff indeed, Clare, but surely there must be one dirty deed that even you wouldn't dare do? "Yes, I don't think you'd catch me running the London marathon with my boobs out — I don't want a black eye!" **M**

Classic MAYFAIR

Yowzer, that's quite a bit of muffage Clare's got going on there – you'd think this set dated back to the 70s or something, but no, it was 1991! A look through the history books reveals that sadly she never did swim the channel in the nip or do the Tour de France with her boobs out. Maybe there's still time...? **M**

MAYFAIR

Vol.54 No.12

On Sale January 8th

Just as I'm typing this the country's swinging into another bout of General Election fever, with the parties and leaders all getting their knickers in a twist about all the customary issues. But by jimminy, by the time the next issue comes out it'll all be over and done with – all those promises and smears just so much wrapping paper for fish and chips. Thankfully, as well as this issue to help keep you going through it all, there's light at the end of the tunnel in the shape of next issue, in which newbie Kennedy will be joining Georgie and co – and they sure get our vote!
